**ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION TO CONSOLIDATE  
RELATED CLASS ACTIONS UNDER F.R.C.P. 42(a)**

This matter is before the Court on the Motion of Plaintiffs in the above captioned actions to consolidate the actions and set scheduling deadlines and permit the filing of a single consolidated complaint. (*See* ECF No. 11).

Having reviewed the Motion, the Memorandum in Support, and the Complaints in the above-captioned actions and having found that the cases involve some of the same issues of fact and law, grow out of the same alleged data breach involving Defendant AT&T, Inc., have many of the same claims, and have proposed class definitions that will encompass the same persons, this Court finds that the cases have sufficient commonality of issues and parties to warrant consolidating the cases. This Court further finds that the benefits of consolidation are not outweighed by any risk of prejudice or jury confusion. The effect of such consolidation will be judicial economy and preserving the Parties' resources, as well as avoiding disparate rulings in separate actions.

Accordingly, because this Court finds that the Related Actions have sufficient commonality of law and fact and does not increase the risk of an unfair outcome, and for good cause shown, the Motions are **GRANTED**. As such, the Court ORDERS the following:

**I. Consolidation of the Related Actions.**

The above-captioned actions shall be **CONSOLIDATED** for all purposes into the *Petroski* action, which is the lowest numbered case. All future pleadings, motions, briefs, and other papers shall be filed in the *Petroski* action, No. 3:24-cv-00757 which shall hereinafter be a Consolidated Action. The Clerk is ordered to amend the case name of the lead case (*Petroski* Action) No. 3:24-cv-00757 in CM/ECG to: In Re: AT&T Data Breach Litigation. The Clerk is **DIRECTED** to close the *remaining Related Actions* and the Court further orders that:

- a) In accordance with Local Rule 42.1, each new case that arises out of the subject matter of the Consolidated Action which is filed in this Court or transferred to this Court, shall be consolidated with the Consolidated Action and this Order shall apply thereto, unless a party objects to consolidation, as provided for herein, or any provision of this Order, within ten (10) days after the date upon which a copy of this Order is served on counsel for such party, by filing an application for relief and this Court deems it appropriate to grant such application. Nothing in the forgoing shall be construed as a waiver of Defendant's right to object to consolidation of any subsequently-filed or transferred related action;
- b) All deadlines in the Related Cases shall be stayed and subsequently filed Related Actions, including responsive pleading deadlines, should be stayed pending resolution of the Petroski motion before the United States Judicial Panel on Multidistrict Litigation ("JPML") to transfer all pending matters in this jurisdiction and others to the Northern District of Texas.
- c) Plaintiffs shall provide a status report to the Court within 7 days of a ruling by the JPML.
